

# OK GO SANDBOX

## Art Together Now

### THIS CHALLENGE

Inspired by virtual togetherness during the COVID-19 pandemic, OK Go worked together (apart) to create their ["All Together Now"](#) music video, ending with a special tribute to our frontline healthcare workers. This challenge asks you to work with at least one other person to create a collaborative piece of art or media that illustrates your appreciation for people in your life or your community. We would love to see what you can do to express your appreciation for your community and those you are thankful for. Share your creations with [#ArtTogetherNow](#).
